THE STORY SO FAR...

There's never a dull moment in Chima! Here's a reminder of the most exciting moments from my last adventure – and what's coming up next!

Full risk!

"During a practice race on Speedorz with my friend Eris, I crashed over a huge tree.

Taking a break from racing, we saw Cragger and a group of Crocodiles, Wolves and Ravens attack the Gorilla Tribe!"

To the rescue!

"I didn't hesitate to help the Gorillas, but there were too many enemies and they overpowered me.

I was tied up in front of Cragger, when an Eagle Battle Glider came to my rescue and I escaped!"

Well, Laval. How does it feel – kneeling before your future king?

What has become of you, old friend?

Hunt for the CHI!

"Cragger and Razcal took off on their Speedorz with the precious CHI, so I chased after them.

I decided to risk everything by trying to jump over the tree again to catch them. This time, I made it! I stopped Cragger and the CHI was safe."

... AND HOW THE ADVENTURE CONTINUES!

Laval The Lion Warrior

"I am the **Lion Warrior** and one of Chima's bravest heroes.

This time, I'm taking part in a **Speedorz tournament** held by the Eagles. I'm going to **score a victory** for my people!"

Cragger The Croc Warrior

"Great... I thought the **Crocodiles** would be **banned** from the tournament. I need to watch out for my **Former Friend**, **Cragger**. He never plays fair!"

Ewar The Eagle Pilot

"When danger is near, this **brave Eagle** is sure to come to the rescue. He's an **amazing pilot** who handles the **Eagle Glider** like no-one else!"

Crooler The She-Croc

"**Cragger's sister** is super-mean. She's always trying to make the **fight** between me and her brother even worse.

In all of **Chima**, no-one **hates** us **Lions** as much as she does. I have no idea why."

GREAT SPEEDORZ TOURNAMENT? TURN OVER TO FIND OUT!

A SPARK OF FRIENDSHIP

The Eagles invite all the Tribes to a major Speedorz tournament. King LaGravis arrives a day early because he has important things to discuss with his Friends.

Meanwhile, Laval whizzes through the Falling Jungle. He wants to practise his Speedorz skills before the tournament begins!

Whreeeeeeee!

Laval Feels ready For action!

With my awesome Speedorz skills, the tournament will be easy For me!

A few hours later, Laval reaches the Eagles' Castle.

His Father has also arrived.

Ewald, leader of the Eagles' Ruling Council, welcomes the Lions. Laval is shocked when he learns who else is taking part in the tournament.

LaGravis, I'm glad you got here early. We can talk in private without the Crocodiles listening in.

What? The Crocodiles are coming, too?!

They would have caused more trouble if we hadn't invited them.

But our last tournament had to be abandoned because Cragger attacked Eris!

Laval, please accept Ewald's decision. The Eagles are organising this tournament. Not us.

Look closely.

Meanwhile, Cragger and Crooler are already hatching the next sneaky plot in the Croc Swamp Hideout.

Crug! Crawley! When will you finally have my Speedor ready? I want to show Laval who's boss!

Have you thought about my brilliant plan, little brother?

Plan? What plan? Ah, yes, *that* plan! To be honest, I don't really know what to think...

That's a pity. Maybe I can help to Focus your mind...

Once again, Crooler confuses her twin brother's senses using a mysterious plant.

Suddenly, Cragger is like a different crocodile!

I will do anything to win this race. Your plan is brilliant, sister! Let's do this!

That's exactly what I wanted to hear.

OUT EVERY MONTH!

The big Speedorz tournament begins the next morning. Tribes From all over Chima have made the long journey to Eagles' Castle: Lions, Wolves, Rhinos, Ravens, Gorillas, Bears and the Crocodiles.

Citizens of Chima!
We are delighted
to welcome you all
to this year's Eagle
tournament.

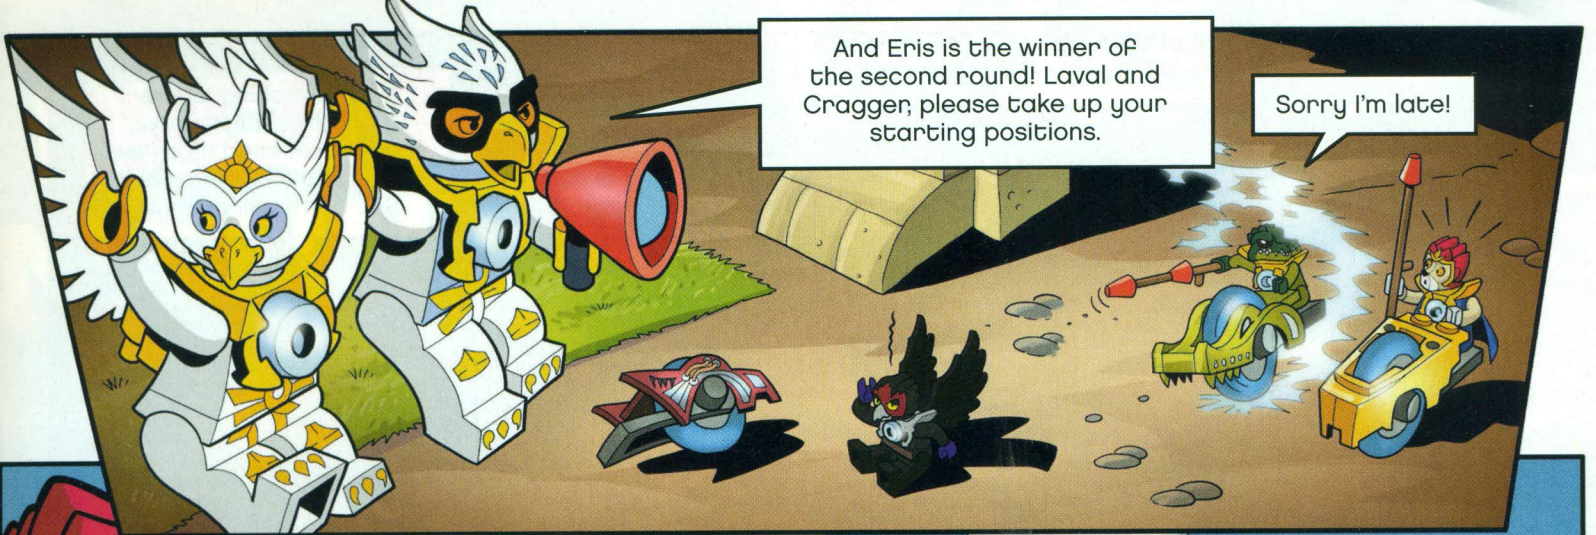

The aim of this contest is to drive off the ramp and push your opponent from his Speedorz with your lance. The first match will be between Worriz the Wolf and Gorzan the Gorilla.

Worriz loses concentration for a second and gets hit. He loses the round.

A well-deserved
victory for the
Gorillas!

Dude!

And Eris is the winner of the second round! Laval and Cragger, please take up your starting positions.

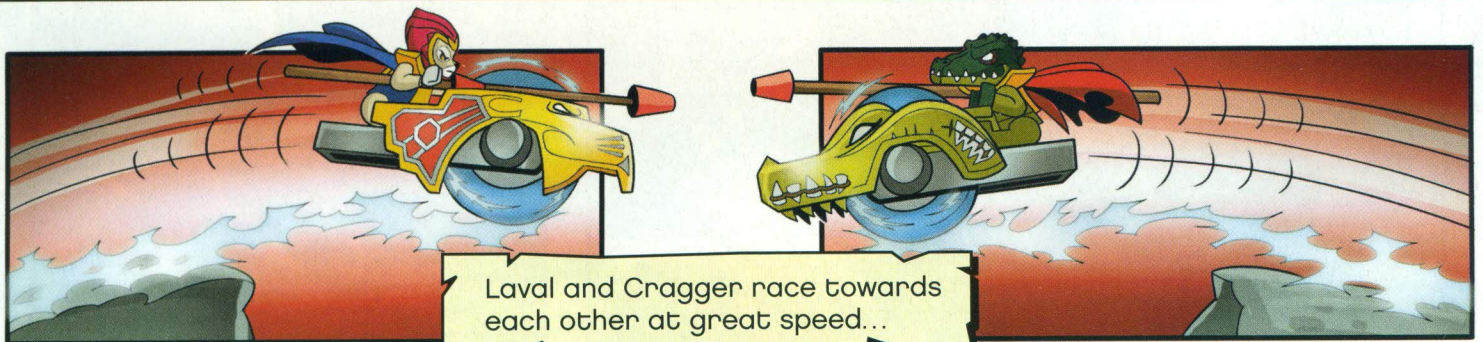

Sorry I'm late!

Don't worry. I've never been better prepared.

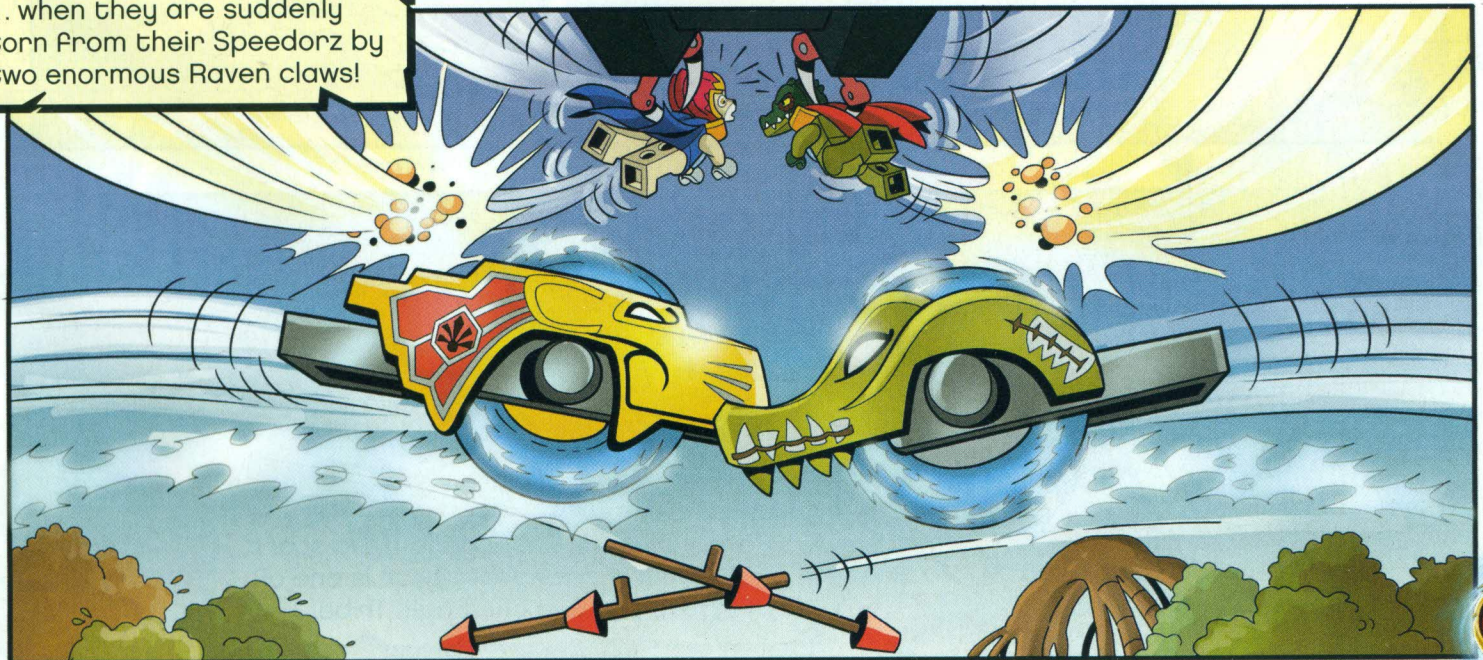

You'd better hold tight, kitty. This is going to be the ride of your life.

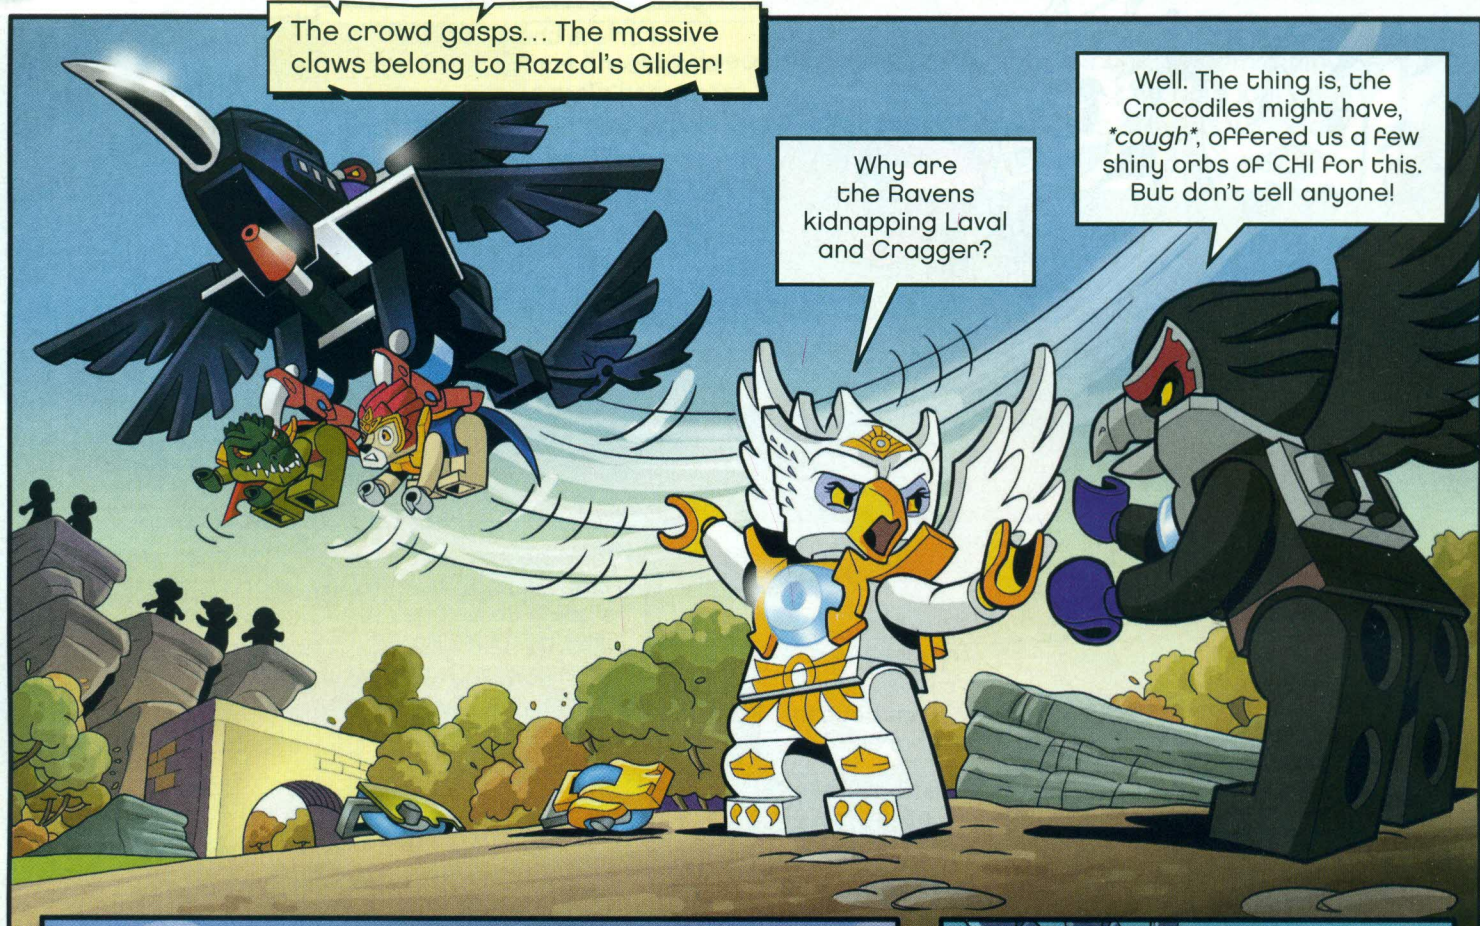

On your marks, get set, go!

Laval and Cragger race towards each other at great speed...

... when they are suddenly torn from their Speedorz by two enormous Raven claws!

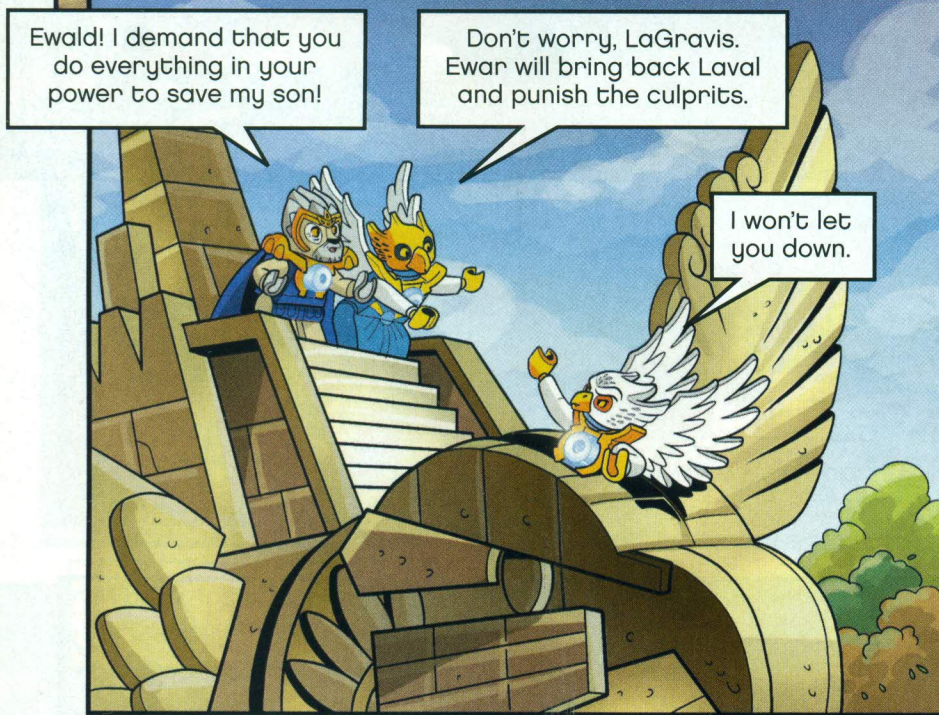

The crowd gasps... The massive claws belong to Razcal's Glider!

Why are the Ravens kidnapping Laval and Cragger?

Well. The thing is, the Crocodiles might have, *cough*, offered us a few shiny orbs of CHI for this. But don't tell anyone!

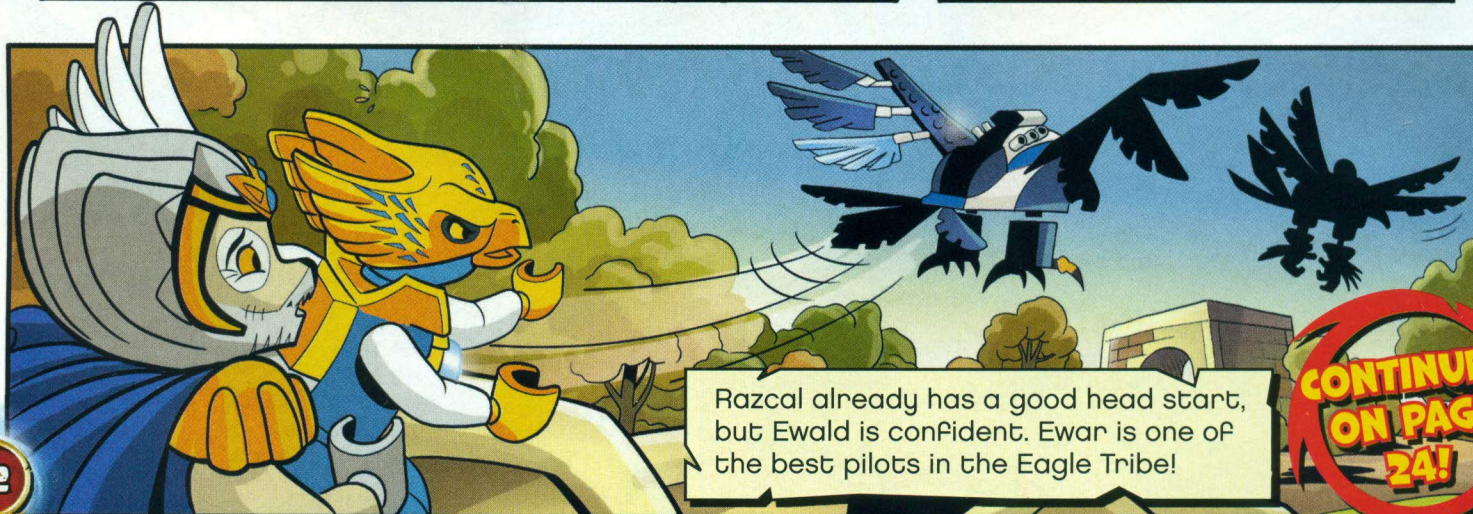

Ewald! I demand that you do everything in your power to save my son!

Don't worry, LaGravis. Ewar will bring back Laval and punish the culprits.

I won't let you down.

Ewar immediately jumps into his Eagle Interceptor.

Razcal already has a good head start, but Ewald is confident. Ewar is one of the best pilots in the Eagle Tribe!

The Crocodiles are **mean** and **devious**. In this new part of our Chimapedia, you'll find out more about the **Lions' enemies!**

THE CROCODILES

CRAGGER

The Prince of the Crocodiles came into contact with CHI when he was too young, and his **Friendship** with Laval began to fall apart. Even as a child, Cragger was ambitious, but discovering **CHI** turned him into a power-hungry **Croc**. He blames Laval for the disappearance of his parents... and he wants **revenge!**

Cragger's **twin sister** is the **evil driving force** behind the Crocodiles' plans. She loves to control things from behind the scenes and she uses her **brother** to get **everything she wants** – and Cragger doesn't even realise it!

CROOLER

CROMINUS

Cragger's Father is the **King of the Crocodiles**, a hard but caring leader. He has never liked the Lions, but always **abided by their rules**, as peace in Chima means more to him than power.

CRAWLEY

Crawley is one of Cragger's **best Fighters**. His special attack technique is to strike with his **scaly tail!** With this powerful weapon, he is even a match for the mighty Crug.

CRUG

He's **big**, he's **strong** and he obeys every word. It's no wonder that he's **Cragger's Favourite**. He'll do anything the Crocodile Prince tells him to. His only **weakness** is Mr Flipperlove, his **little Frog teddy**. But, shhh... That's a secret!

Threat from the swamp

The **Crocodiles** built their city in the **murky swamplands** of Chima. They have never been trustworthy.

They stuck to the Lions' **code of honour** for a long time under **King Crominus**, but **trouble broke out** between the Crocodiles and the Lions when Prince Cragger became obsessed with CHI.

The rules of CHI

The **supreme rule** of CHI is **balance**. The amount of CHI for each **Animal Tribe** must be equal, and the **sacred pool of CHI** can never be too full or too empty: this could result in **terrible natural disasters**.

When they reach the right age, every Animal in Chima can be helped by the powers of CHI. But for **young Animals**, the power of CHI is too strong. If this rule is broken, **awful things** could happen.

ATTACK ON LION TEMPLE

Red alert! Cragger, Crawley and Razar are attacking! Their objective: to capture the sacred CHI orb. Fortunately, Laval, King LaGravis and Longtooth have the Eagles' leader, Ewald, and Eagle warrior Eglor on their side. Will they be able to fend off the attack?

Don't come too close to my cannon!

Reptile Raider

Crawley loves driving this crafty, tracked vehicle. He controls the powerful jaws. The Lions must beware of its mighty big bite!

You're not going anywhere!

Lion's Claw Bike

Laval also has some super-speedy wheels of his own. He chases after Crawley, trying to stop him in his tracks.

Powerbike

The attackers weren't reckoning on Eglor and his bike with chunky all-terrain tyres! He can go anywhere in this. Even if he runs out of track, this amazing bike can turn into an aircraft!

Rotating tower cannon

Nobody gets past Longtooth and his crackshot cannon! At the controls he defends the Lion Temple from both land and air attacks.

Do your best, my Friends! We must protect the CHI.

SACRED
CHI ORB

Get out of my way, Feather-brain. The CHI is mine!

Lion Temple

Fortunately, the Temple of the Lions is a tough target. The precious CHI orb is right at the top, at the highest point of the Temple. This means attackers must fight their way through the entire building, or attack from the air. Luckily, Ewald's Eagle Jet is ready for them. When danger arises, the sturdy Lion's Gate is lowered and the drawbridge is raised. Then a secret trap door opens and the Lion's Claw Bikes can race out to the attack. Go, Lions!

In all the confusion, a blue flag from the Lion Temple has been blown away. Can you spot it?

A SPARK OF PART 2 FRIENDSHIP

Above the clouds, Laval and Cragger are Fighting as usual.

This stunt has your name written all over it, SwampFace! What's the idea?

My plan is genius! To kidnap the Lion Prince and demand a Few CHI orbs From the King as ransom. Ha, ha!

Meanwhile, Ewar is determined to stop Cragger. He has almost caught up with the Glider!

You can't kidnap your best Friend!

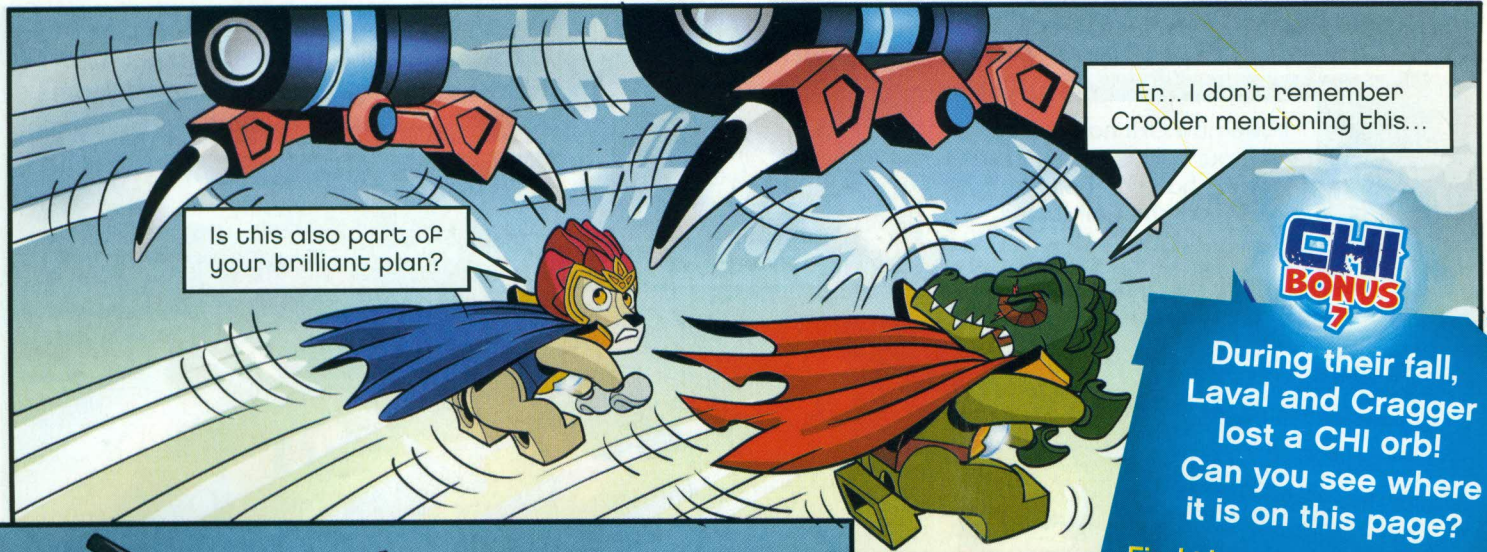

Ah! But you can kidnap your Former best Friend!

Stop! Stay in your machine, you pesky Eagle!

By order of Ewald, the Great Eagle, I arrest you!

You can't arrest us Ravens, we don't live by your rules!

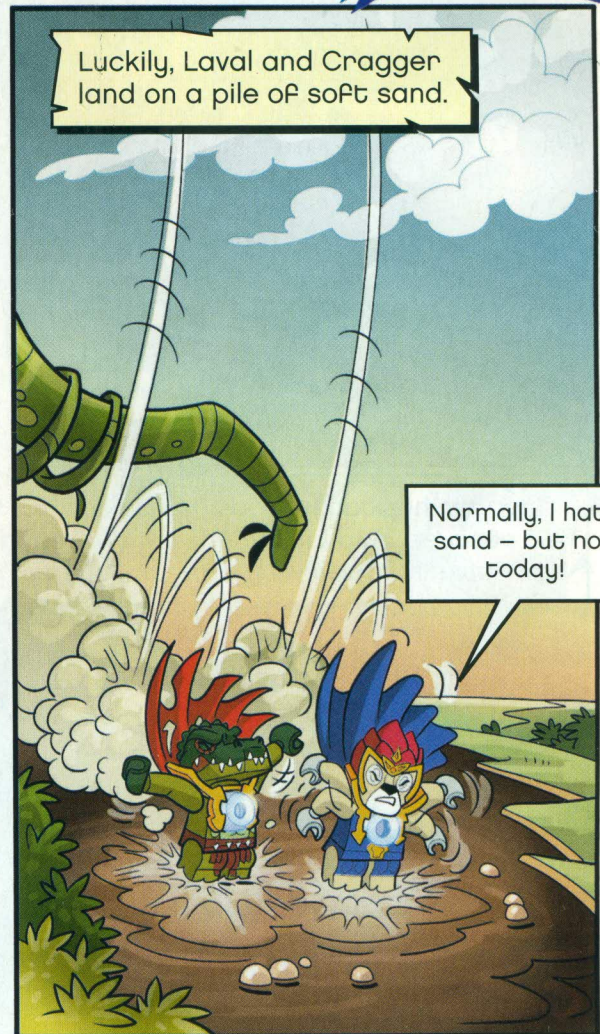

Accidentally, Razcal hits the joystick operating the Raven's claws!

**CHI
BONUS
7**

During their fall,
Laval and Cragger
lost a CHI orb!
Can you see where
it is on this page?

Find the answer on page 34!

Laval remembers his Father's words.

IF we had CHI now, we could save ourselves. But you lions always have to be so mean with the CHI orbs.

Laval has pulled himself out of the sand by using Cragger's body. He manages to reach the branch.

"Nature is not your enemy, but your friend." Look! Grab that branch!

Mind where you put your Feet, you oversized cat!

Cragger hesitates. Does he really want to be rescued by a Lion? But the quicksand is threatening to slowly swallow him.

Take my hand!

You see. We can save ourselves without CHI.

Spare me your words of wisdom. You sound worse than LaGravis.

Hours later, Laval and Cragger still haven't found their way back home.

We should have turned left after the Humming Summit. But you wouldn't listen to me.

Trust me. The Gorge of Eternal Depth should be just ahead of us.

You said that hours ago. Now I decide which way we go.

Laval?

The young warriors have set off a landslide. Laval is clinging with all his strength to the edge of the chasm.

Cragger! Help me!

Suddenly, Crooler and her Crocodile pals appear by the chasm.

Here you are. We've been searching the whole of Chima trying to find you!

What's this? A dangling Lion? Leave him, little brother! Then all the CHI in Chima will be ours!

Cragger... Please... I can't hold on much longer.

Cragger doesn't know what to do. Obey his sister or save Laval from the chasm of doom?

He does the right thing and rescues his old friend.

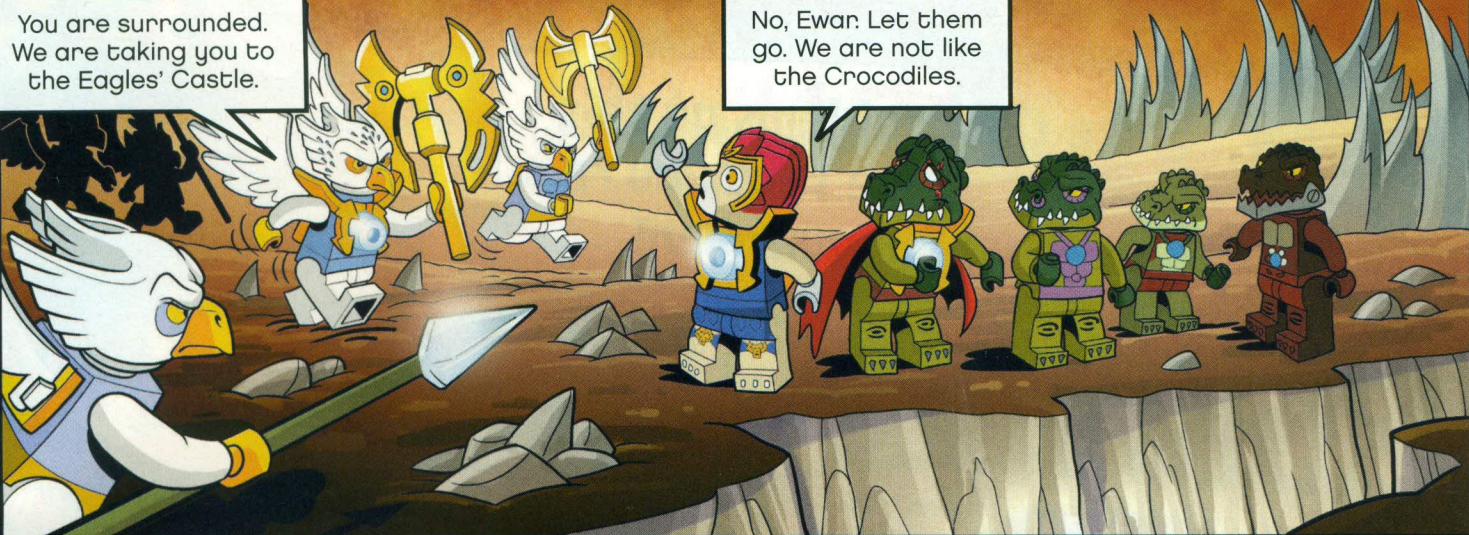

Finally, he grasps Laval's paws ...

What are you doing, Cragger?!

I have a better plan. Just wait and see.

You are surrounded.
We are taking you to
the Eagles' Castle.

No, Ewar. Let them
go. We are not like
the Crocodiles.

As you wish. But I am
afraid your Father will
not be pleased...

He will
understand.

This changes nothing
between us. I only saved you
because you saved me.

Alright,
Cragger.

What's that?

A huge black cloud is
gathering on the horizon.

Uh oh.
